**Why I support TeamCrush:**

St Paul's Lutheran Church has always been active supporting various causes. For several years we supported Relay for Life to help raise money for researchers treating cancer. After Relay for Life, we got involved in the Multiple Sclerosis (MS) walks as TeamCrush mainly as a way to support the Casillas family and their son Josh who struggles daily with MS. St Paul's and TeamCrush even sponsored MS walks in Imlay City for several years. I continue to walk for MS for those around me struggling with MS in hopes that researchers can hopefully find new treatment plans to help those with MS. Come out to Frankenmuth for the walk on May 11th or virtually support TEAMCRUSH. You can go online and find the MS Walk and our team.

Linda Looper

**Stoney Lake Saturday: May 4th, 9-5**  
 If you are able to make the drive and come help, we are doing clean out to get ready for summer camp! We could use all the volunteers we can get. If you chose the free option for you child/children, this would be a good way to give back. Please let Kaylee or Sarah know if you are interested we do have to give them a count as soon as possible.
